Federal Grand Jury in Chicago Returns True Bill Against Standard Oil Co.

FOUND UNDER ELKINS LAW

Nineteen Counts, Each Liable to Fine of from \$1,000 to \$20,000. The Charges in Detail.

(By Associated Press.)

CHICAGO, August 8.—An indictment charging the Standard Oil Company with receiving rebates in the form of non-payment of storage charges to certain railroad companies was returned to-day by the Federal grand jury before Judge J. S. A. Bethou this afternoon. The indictment came as a surprise, inasmuch as the grand jury had just begun the investigation to-day.

The Standard Oil Company is the only defendant, no official of the company and no railway company or officials being named. The bond of the defendant was fixed by Judge Bethue at \$25,000. This is the case investigated by the grand jury in Cleveland, Ohio, where it was found that the grand jury had no jurisdiction. The testimony taken there was transferred to Chicago and the documents in evidence were identified by witnesses who testified in Cleveland. It was on this testimony and evidence that to-day's full heavent was returned as quickly. The

a New York morning newspaper which and that the railroad company received no payment of five cents per ton per day from the oil company for such storage, but that its competitors were compelled to pay the same amount per ton. This, it is charged, is equivalent to granting a rebate, the storages being practically a rebate in favor of the oil company. Each count sets up a discrimination of from 3500 to \$500 a month in favor of the oil company. It will be necessary for officials of the Standard Oil Company to appear in court and present a bond of \$25,000 for their appearance. and that the railroad company received D., post restante, bureau 97, Paris, and the fitness of the initials will be proved

MUST FURNISH LIST OF POLICYHOLDERS

Mutual Life Insurance Company Ordered to Supply Information to Committee and State.

(By Associated Press.)
NEW YORK, August 8.—The Mutual
Life Insurance Company was ordered
by Justice Giegerich to-day to furnish
a correct list of its policyholders to the
International Policyholders' Committee,
and to file a similar correct list with the
State Insurance Department at Albany,
within ten days. The order was issued
to response to an application for a writ within ten days. The order was issued in response to an application for a writ of mandamus made by Colonel A. M. Shook, of Tennessee, a member of the committee, and was opposed by counsel for the Mutual Life Insurance Company. Justice Glegerich denied the application of the Policyholders Committee that their circulars be sent to policyholders on the istencils prepared for the company. In the circulars be sent to policyholders on the istencils prepared for the company. stencils prepared for the company. In his argument on behalf of the petition Samuel Untermyer, counsel for the com-pany, said that they had employed twelve postofilee experts to assist in getting the committee's circulars out to policy-holders, and that nineeen per cent of the envelopes were returned to them un-delivered.

the committee's circulars out to policyholders, and that nineeen per cent. of the envelopes were returned to them undelivered.

"On the other hand," he said, "the company having a correct list are sending circulars to the policyholders without delay, in an effort to influence votes in favor of the irustees mominated by the present administration ticket of the Mutual. A more infamous and unheard of performance has never found its way into a court of justice," declared Mr. Untermyer. "We have only the right to nominate a list of directors, and unless we can obtain a correct list of policyholders we cannot reach them, and many of them will be disfranchised from voting. We are in peril of not being able to nominate a ticket unless the facilities we demand are granted us."
